

## The Benefits of Better Health

### HRA Provider Notice

Health Plan: **GEHA Health Savings Advantage<sup>SM</sup> High-Deductible Health Plan (HDHP)**

Patient Name: \_\_\_\_\_

Patient ID: \_\_\_\_\_

Dear Health Care Provider,

Your patient named above is covered by the GEHA Health Savings Advantage<sup>SM</sup> High-Deductible Health Plan (HDHP). This patient also has a health reimbursement arrangement (HRA) funded through plan premiums.

**Please note you do not need to collect payment from the patient at the time of service.**

Under this plan, amounts that are the patient's responsibility – such as copayments, coinsurance and deductibles – will be automatically paid directly to you from the patient's HRA balance.

When GEHA receives a claim for an HDHP member with an HRA, we will first process and pay according to plan benefits. If there are amounts that are the patient's responsibility – such as copayments, coinsurance and deductibles -- we will automatically check the HRA balance for available funds and generate payment directly to you. You will receive one combined check from GEHA for benefits paid and the HRA reimbursement. If the patient's HRA does not include adequate funds, you will bill the patient after receiving GEHA's payment.

Thank you,

GEHA
