

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.**

This is only a summary. Please read the FEHB Plan brochure (RI 71-006) that contains the complete terms of this plan. **All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB Plan brochure.** Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can get the FEHB Plan brochure at www.geha.com, and view the Glossary at www.healthcare.gov/sbc-glossary. You can call 1-800-821-6136 to request a copy of either document.

Important Questions	Answers	Why This Matters:
<p>What is the overall <u>deductible</u>?</p>	<p>\$ 350 / Self Only \$ 700 / Self Plus One \$ 700 / Self and Family</p>	<p>Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. <u>Copayments</u> and <u>coinsurance</u> amounts do not count toward your <u>deductible</u>, which generally starts over January 1. When a covered service/supply is subject to a <u>deductible</u>, only the <u>Plan</u> allowance for the service/supply counts toward the <u>deductible</u>. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
<p>Are there services covered before you meet your <u>deductible</u>?</p>	<p>Yes. <u>Preventive care</u>, <u>Office visits</u>, <u>Urgent Care visits</u>, <u>In-Network Maternity care</u> and <u>Prescription drugs</u>.</p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u>. See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other <u>deductibles</u> for specific services?</p>	<p>No.</p>	<p>You don't have to meet <u>deductibles</u> for specific services.</p>
<p>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</p>	<p><u>For in-network providers</u> \$5,000 Self Only \$10,000 Self Plus One or Self and Family (one individual not to exceed \$5,000) <u>For out-of-network providers</u> \$7,000 Self Only \$14,000 Self Plus One or Self and Family (one individual not to exceed \$7,000)</p>	<p>The <u>out-of-pocket limit</u>, or catastrophic maximum, is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>

Important Questions	Answers	Why This Matters:
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billed</u> charges, any penalties, non-covered drugs, the difference in price between generic and brand name and services your health care <u>plan</u> does not cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.geha.com/find-care or call 1-800-296-0776 for a list of <u>network providers</u> .	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a provider in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
